

## **E/M Compliance Web Portals for Hospitals**

You are reading this because one of your physicians or coders wants your hospital to consider sponsoring an E/M compliance web portal for your staff.

We are the national leader in peer-to-peer online E/M coding and documentation education. Our online E/M coding courses can be linked directly from your existing website:

- 12 separate courses to match all practice patterns
- 10.25 hours of CME
- 12 hours of AAPC CEU credit for coders

Our online E/M coding courses were designed by a physician for physicians to help providers:

- **Understand the E/M documentation guidelines**
- **Ensure E/M compliance**
- **Save time by streamlining their documentation**
